UNKS Construction, Inc. is a Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering comprehensive construction solutions across horizontal construction, shade structures, roofing, general building, tenant improvements, electrical construction, and repair services. The firm supports both traditional design-bid-build and integrated design-build delivery models and holds an active California General Building Contractor license (Class B).

UNKS Construction brings proven experience executing projects in high-security environments and fully operational healthcare facilities. Our past performance spans a diverse geographic footprint, including Arizona, California, Maryland, Nevada, New Mexico, North Carolina, Oklahoma, Virginia, Texas, and Puerto Rico.
